

AETV -CG

SUBJECT: Enclosure 9 (Military Training Areas) to V Corps Command Training Guidance for FY05-06.

1. **Purpose.** To provide FY 05/06 training guidance on military training areas for V Corps.

2. **References.**

a. USAREUR Regulation 350-10, 21 August 2001, Allied and USAREUR Major Training Areas.

3. **Objective.** To provide information for units dealing with training areas within Germany and former Warsaw Pact states.

4. **General.** In order for V Corps unit commanders to conduct training in Warsaw Pact states and other areas in Germany, they must do the following for USAREUR approval for funding.

a. V Corps-unit commanders will--

(1) Submit detailed training plans, training objectives, and consolidated training and support needs for subordinate units 180 days before the units train at USAREUR MTAs. This information will be sent to the Commander, V Corps.

(2) Execute the required planning milestones for scheduling MTAs (apps B and C).

(3) Provide scheduling information to the V Corps, G3 Training Office.

(4) Provide MTAs with logistic, military police (MP), engineer, and medical augmentees to support training units according to appendix D.

(5) As necessary, complete DA Form 285 (U.S. Army Accident Report) and "round-out-of-impact" reports required by GTA Range Operations standing operating procedures (SOPs).

(6) If allotted training resources are exceeded, reimburse the 7 A TC for the resources used.

(7) Ensure visits and training by foreign armed forces are properly coordinated with the CO, USAREUR/7 A, Liaison Office in Berlin (paras. 12). USAREUR units are authorized to invite Non-USAREUR units to conduct training at USAREUR MTAs IAW UR 12-15; USAREUR and Host Nation specific notification and approval procedures are in Section II, paras. 12-14. Mandatory Allied payment requirement information must be obtained from International Military Training (IMT), (CMTC training requires NLT 180 days notice to comply with Title 22 US Code).

## 5. JOINT USE TRAINING AREAS

The Implementing Arrangement provides the following as a guide for percentages of use of available training times:

a. Grafenwoehr MT A -23% GE use.

b. CMTC -18% GE use.

AETV -CG

SUBJECT: Enclosure 9 (Military Training Areas) to V Corps Command Training Guidance for FY05-06.

- c. Wildflecken MT A -25% US use.
- d. Baumholder MT A -50% US use.
